Letter to Governor Kasich 092213.docx

> Hello Tinka and Kevin, attached is a letter that I send to the Governor in September to answer their claim that I was fired because OEPA 'did not issue coal permit without limits like WV'.

Based on the information in this letter OEPA issued 96% of the coal permits without limits just like WV.

Hope you can use the information in this letter in future discussion with the Governor's office about Bennoc permit.

By the way the Governor ignored my letter.

Have a great Holidays.
